$16 + 7 = \underline{\hspace{2cm}}$

Reading Comprehension Worksheet

Read the short passage and answer the questions

Maya packed a blue notebook, two pencils, and a small apple for the first day of school. She walked to class with her older brother. At recess, Maya met a new friend named Zoe. They agreed to sit together at lunch.

1. What color was Maya's notebook?

2. How many pencils did Maya pack?

3. Who walked with Maya?

4. Who did Maya meet at recess?

5. Where did Maya and Zoe plan to sit together?
